

2018 Festival Performer Application

Thank you for expressing interest in performing in this year's Barton Village Festival held in Barton Village on June 2nd from 12pm (noon) – 8pm.

Previous years we have drawn over 20,000 community members to Barton Village to enjoy a day of celebrating everything that Hamilton has to offer. We have more than 15 acts on 4 stages, 70 booths, various food vendors, and no shortage of kid-friendly and sports activities. The wider community comes out to explore Barton Street, seeing it as a safe and viable option to shop, eat and run a business. Last year's festival drew a large amount of media coverage including front page on The Spec, CHCH video and more.

Our Mission: To celebrate the assets of Hamilton by bringing attention to the vibrancy of Barton Street East.

To help us to efficiently book the stages for this festival we kindly request that you complete and return the chart below.
